Blue Menday. A great many people have what call blue Monday-that is, they do not feel so well as on other days of the week. The cause is found in overeating on Sunday. A good dinner is provided and eaten, and then, instead of taking the customary exercise, the man sits about the house and reads or sleeps. Of course he feels badly the next day. If the same amount of exercise and kind of diet were taken on Sunday as all other days, there would be no such think as a blue Monday.-Ex.
